The World's Greatest Hobby on Tour is a model railroad show designed to introduce the general public to the hobby in an exciting, family-oriented atmosphere. Each show includes manufacturers, hobby shops, operating displays, interactive activities, workshops and provides an in-person introduction to the World's Greatest Hobby: MODEL RAILROADING!

Since the shows began in December of 2004, over 695,000 people have attended! For most of these people, it was their first experience with model railroading. These next six shows will certainly broaden the exposure model railroading receives among the general public.

Admission for the World's Greatest Hobby on Tour is \$10 for adults and kids under 16 are admitted for FREE! The family fun is from 10:00a to 6:00p on Saturday and 10:00a to 5:00p on Sunday.
